**-Reporting**

*Peter S. Vogel is a trial partner at Gardere Wynne Sewell LLP where he is Chair of the Electronic Discovery and Document Retention Team and Co-Chair of the Technology Industry Team. Before practicing law he worked as a computer programmer, received a Masters in Computer Science, and taught graduate courses in information systems. Peter has trials around the US on computer performance disputes, misappropriation of trade secrets, copyright infringement, software patent infringement, and Internet disputes. Since 1997 he has served as the founding Chair of the Texas Supreme Court on Judicial Information Technology which is responsible for helping automate the Texas court system and putting Internet on the desktops of all 3,200 judges. Peter has taught courses on the Law of eCommerce at the SMU Dedman School of Law since 2000.*
